Doctoral Networks – Μηχανισμός χρηματοδότησης

Funding mechanism

Simplified Approach

- **1 unit cost** = 1 person-month of each eligible researcher
- 100% Reimbursement rate for eligible beneficiaries
- Different cost categories
 - Researcher's cost
 - Institutional costs (research, training, networking + management)

Doctoral Networks – Χρηματοδότηση Funding

Contributions for recruited researchers Per person-month					Institutional unit contributions Per person-month	
Living allowance	Mobility allowance	Family allowance** (if applicable)	Long-term leave allowance (if applicable)	Special needs allowance (if applicable)	Research, training and networking contribution	Management and indirect contribution
EUR 4010*	EUR 710	EUR 660	EUR 4720 x % covered by the beneficiary	Requested unit ¹ x (1/number of months)	EUR 1600	EUR 1200

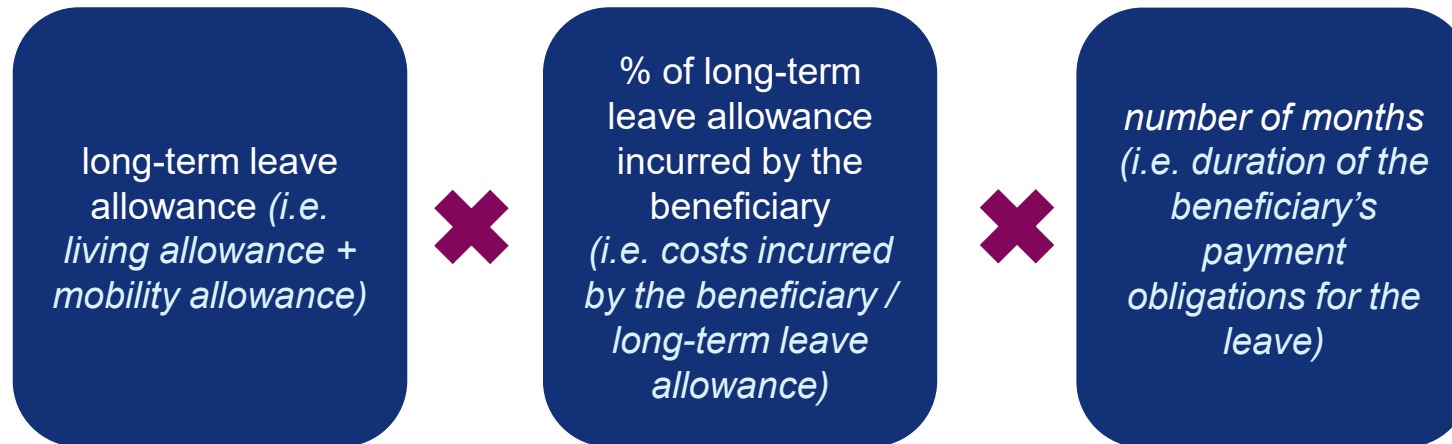

*A **country correction coefficient** applies to the living allowance in order to ensure equal treatment and purchasing power parity for all researchers

** A **family allowance** to contribute to mobility-related costs of researchers with family obligations which can be granted **during** the project.

¹ The pre-defined categories are as follows: EUR 3 000, EUR 4 500, EUR 6 000, EUR 9 500, EUR 13 000, EUR 18 500, EUR 27 500, EUR 35 500, EUR 47 500 and EUR 60 000.

Διδακτορικά Δίκτυα – Long-term leave allowance

NEW - The **long-term leave allowance** contributes to the personnel costs incurred by the beneficiaries in case of the researchers' leave, including maternity, paternity, parental, sick or special leave, longer than 30 consecutive days.

Διδακτορικά Δίκτυα - Special needs allowance

NEW - The **special needs allowance** contributes to the additional costs for the acquisition of special needs items and services for researchers with disabilities. e.g. assistance by third persons, adaptation of work environment, additional travel or transportation costs.

MSCA fellows with disabilities, whose **long-term** physical, mental, intellectual or sensory impairments are **certified by a competent national authority** and of such nature that their participation in the action **would not be possible** without the special needs items or services.

- The amounts range **between EUR 3 000 and EUR 60 000** per researcher.

- Beneficiaries shall claim the **closest lower rate** per researcher/staff member compared to the estimated actual costs of his/her special needs.
- The approved amount will be divided among the number of months remaining in the fellowship/staff secondment as a “unit cost”.
