EKT: Networking & Support Services for young researches from EKT

Henry Scott
MSCA National Contact Point, Greece

ΕΘΝΙΚΟ ΚΕΝΤΡΟ ΤΕΚΜΗΡΙΩΣΗΣ &
ΗΛΕΚΤΡΟΝΙΚΟΥ ΠΕΡΙΕΧΟΜΕΝΟΥ

Who we are:

The National Documentation Centre (EKT) is a research and development organization serving the public interest. It is strategically linked with the actors of the domestic innovation system and supports:

- the digital transformation
- linking research with production
- the documentation of public policies
- the use of public data

Who we are

The Innovation & Networking Unit of EKT develops integrated services for the digital transformation and strengthening of the country's innovation system. Its purpose is to contribute to:

- the transfer of technology to Greek companies
- the strengthening of cooperation between the research and production community
- the support of knowledge-intensive Greek companies.

Our orientation

Our services are targeted at:

- businesses
- academic institutions
- research and development organizations

to help realize the scientific potential of the country.

Main goal: to cover their development needs

Main direction:

- the new data economy
- the digital economy
- the knowledge society

Networking Services

Support for the development of bilateral partnerships

Support client participation in communities and networks of specialized knowledge

Advisory Services

NCP support at EKT

Support for businesses, academics and research organizations throughout a project's cycle: from identifying funding opportunities to formulating proposals, implementing projects and exploiting research results.

NCP support

EKT is a National Contact Point in Horizon Europe for the thematic areas of "Health", "Digital technologies, Industry and Space" and the Marie Skłodowska-Curie Actions.

MSCA-NET

Welcome to the MSCA-NET project!

The project whose main objective is to facilitate the transnational cooperation between National Contact Points (NCPs) for the MSCA to achieve a consistent and harmonised level of NCP support. The scientific community can also profit from our project to support their MSCA application.

MSCA-NET –
Self assessment
tool to test your
knowledge of
MSCA:
[forms.asrt.sci.eg
/msca2022/](https://forms.asrt.sci.eg/msca2022/)

**Self-Assessment
Game**
Test your
MSCA knowledge!

Come and test your MSCA-related knowledge in a playful way! Here is the new version of the MSCA self-assessment tool: forms.asrt.sci.eg/msca2022/Default.aspx, including various documents for further reading and information sources. Feel also free to forward the link to your clients and facilitators.

Welcome to the MSCA self-assessment tool! The self-assessment tool is meant to assess your knowledge of the MSCA by quizzing you playfully with randomly selected questions. Every time you play again, you'll be asked new questions. After answering all questions, click the «submit» button to receive your score. Corrections, links to resources, useful tips and hints will be provided once you click the submit button. This will contribute to preparing a competitive proposal. The timer will start when you click the "Next" button. Good luck and have fun!

Simple registration..

MSCA Self assessment tool: gives feedback on your answers..

Under Marie Skłodowska-Curie Postdoctoral Fellowships (MSCA-PF), may a proposal that was rejected under a previous MSCA Postdoctoral Fellowship call be re-submitted?

- 1) In all cases, resubmission is allowed
- 2) It depends on score obtained the year before resubmission
- 3) It depends on the profile of the host organisation
- 4) It depends on the country

Applicants will be allowed to re-submit a proposal that was rejected under the previous Horizon Europe MSCA Postdoctoral Fellowship call, unless the proposal scored below 70%.

Non-academic placement: when does it take place?

- 1) At the beginning of the fellowship period.
- 2) Any time within the fellowship period.
- 3) After the fellowshpi period.
- 4) There is no non-academic placement in MSCA PF.

Non-academic placement is an additional period that takes place after the standard duration of the fellowship. [MSCA Work Programme 2023-2024](#)
