

MORNING HEALTH TALKS

MEETINGS FOR HEALTHCARE TRANSFORMATION

EIT Health Morning Health Talks:

- highly positioned event series,
- running in 13 EIT RIS countries, Central-Eastern- and Southern Europe,
- since 2020

Aim of Morning Health Talks:

- Facilitate **honest discussions among the decision makers** of the countries, about the challenges of healthcare innovations,
- Facilitate **innovative collaborations among the stakeholders** (e.g. SymbIASIS, datapilot.lt, etc.)

**Have useful discussions and utilize this space
for forward-looking talks!**

Co-funded by the
European Union
